

## Through community engagement, myTRI 2030 creates a shared vision for the region and drives collaborative action.

Over 4,500 Tri-Citians have contributed to the understanding of our region’s strengths and challenges. The insights gleaned from those voices, combined with comprehensive research, has coalesced into a set of six opportunity areas that our region is uniquely positioned to pursue:

### Agriculture, Education, Energy, Inclusion, Life and Prosperity

Your 2019 investment in myTRI 2030 supports Phase 2 objectives of identifying specific initiatives, projects and actions that will bring each of the opportunity area to life and provides the following benefits.

	myTRI Catalyst	myTRI Champion	myTRI Supporter
Use of myTRI 2030 Investor Logo	Catalyst logo	Champion logo	Supporter logo
Company recognition at www.mytri2030.com	Logo with link	Logo	Listing
Company recognition at Opportunity Area Workshops	Logo	Listing	Listing
